

# Bike Permit Application

The Bike Storage Room is available to residents on a first-come-first-serve basis. All bikes stored within the Bike Storage Room must be on a rack and have a Bike Permit sticker affixed to the bike in a visible place such as the handlebar or seat bar. Please complete this form in order to obtain a bike permit. Should all spaces be taken up, your application will be placed on a wait-list. *\*Please note that the Association is not responsible for items stolen from the bike storage room. Store at your own risk. Always lock your bike.\**

Submit this application either directly to the onsite General Manager office or via email to [msuarez@actionlife.com](mailto:msuarez@actionlife.com). Thank you
