

DO YOU NEED HELP IN CASE OF A BUILDING EMERGENCY?

It is extremely important to the Board of Directors and Management that everyone who may require assistance during an evacuation receives that assistance in order to be as safe as possible.

Submit this form via email to Morgan Cooper via email at mcooper@actionlife.com or to the Management Office on P1. You may also mail it in to: Aria HOA, 1441 9th Avenue box #138, San Diego CA 92101 attn: Management Office

Below is some information that will help our staff and First Responders to identify residents that may require assistance in the event of an emergency building evacuation. Please let us know below if you require assistance in any way during an evacuation. This information is voluntary, but also confidential and limited to those that need to know.

Name _____

Unit number _____

Home phone _____

Cell phone _____

Special equipment needed to be brought with you if you have to evacuate (oxygen, wheelchair, etc.) or information you think emergency responders will need to know:

This information will be stored with Management and will be kept with the utmost confidentiality.

This form can be updated as often as a resident likes, so if you've recently suffered an injury or undergone surgery and will need assistance until you are healed, please fill out a form. You can inform Management once you are well enough to exit the building on your own in the case of an emergency situation.
